

## SWAPNA'S BANK LOCKERS THROW UP GOLD & CASH

K RAVEENDRAN / Thiruvananthapuram

Investigators have seized cash amounting to Rs1.05 crore and 1 kg gold from the lockers of Swapna Suresh, a prime accused in the sensational Kerala gold smuggling case. Details of the seizures were given in the remand report submitted by the investigators in the NIA court, opposing bail to the suspects. NIA told the court more probes are required and therefore their custody was needed.

The court remanded the suspects in judicial custody until August 21. The cash and gold were recovered from two lockers held by Swapna in the branches of Federal Bank and SBI. Her lawyer claimed the valuables were gifted to her by a Sheikh of Dubai on his wedding.

In its continuing investigations, NIA has summoned M Sivasankar, former principal secretary of the chief minister and the IT sec-

retary, to be present in its Kochi office on Monday. The agency sleuths had questioned him for five hours at the Police Club in the state capital on Thursday.

According to emerging reports, Swapna had approached Sivasankar within two days of the Customs Department detaining the diplomatic baggage on suspicion of smuggling, seeking his help to get it released.

The NIA is trying to ascertain if the suspended bureaucrat, a confidante of the CM and an in charge of his office, had helped the suspects in any way.

Meanwhile, NIA has written to the state chief secretary, seeking footages of CCTV at the state secretariat from July 1-14. There were reports the recordings may have been lost due to a lightning incident, but the chief secretary clarified in a press note that only a switch in the network in his own office was damaged, which has since been replaced.

## B'luru civic body act slammed

Karnataka reports record 110 deaths

SHANKAR RAJ / Bengaluru

Overzealous civic officials in Bengaluru took things too far after they sealed the entrance doors of two adjacent flats in the city with tin sheets in an apartment in Domlur Layout on Thursday. The reason for sealing two flats: a resident in one of the houses had tested positive for the virus and both dwelling units were a containment zone. On seeing the tin sheets nailed to the doors of the flats, shocked neighbours took to Twitter to slam the officials. They said the civic agency's action was a fire hazard.

Finally, embarrassed officials removed the sheets around 6.45pm after top officers intervened. Commissioner N Manjunath Prasad

called it "a highly ignorant act". He was quoted in the local media as saying: "We apologise for the over-enthusiasm of the official. A show-cause notice has been issued to him. I've got the tin sheets removed immediately. We are committed to treating everyone with dignity. The purpose of containment is to protect the infected and to ensure the uninfected are safe." Meanwhile, Karnataka on Friday reported a record

## DEMOCRACY UNDER SIEGE

The Governor also took the plea that the "purpose of calling the session has not been given and no agenda has been proposed" in the four-line communication. "Normally, a 21-day notice is needed," the statement added. A new proposal, it was expected, would be sent to him later in the night. After the rebuff, Gehlot had some sharp words to say and asserted that he would not be responsible if the people of the state also gheraoed the Raj Bhawan. Reacting to the implicit threat, the BJP demanded that central forces be deputed at Raj Bhawan.

A CLP meeting was held earlier in the day at Hotel Fairmont; addressing the meeting, Gehlot said that they had the requisite numbers. After the CLP meet, the MLAs left for Raj Bhawan in buses. Media sources said Gehlot believes he has the numbers to retain power, if he faces a trust vote now. If he cruises through, there cannot be any vote for the next six months.

The Congress has a slender lead over the opposition and is only one past the majority mark of 101 in the 200-member assembly. Pilot claims the support of 30 MLAs, but so far, the evidence points to only 19. The BJP has 72. Including smaller parties and independent members.

## Governor can't refuse: Cong

Sibal responded by pointing out in the press conference that the Supreme Court case has nothing to do with the Assembly session; nor has the Supreme Court or the High Court ordered that the session be stayed. "Our MLAs are sitting on dharna in the Raj Bhawan and the Governor is yet to requisition the Assembly session, as recommended by the state cabinet. When the government insists that a session should be held, the governor should not delay it, as it would amount to playing a partisan role," said Congress leader Abhishek Singhvi. "I think the definition of democracy has changed in the last few years. Today, the Governor will not take the advice of the government but will seek advice from elsewhere....In the new definition of democracy, you can topple elected governments and tempt MLAs with money, among other things. So, thereby, turn majority numbers into minority, topple the government and administer oath to the chief minister," Sibal charged.

Sibal lamented that even lawyers are dejected as to why should they argue, if the present government at the Centre is not prepared to even abide by the Supreme Court judgments.

"What work does the court or other institutions have, if the new definition of democracy is that everyone should accept what the government says without any opposition?" Telling the Speaker not to take action is a new definition of democracy," he said, indirectly hitting out at the Rajasthan High Court for stalling the disqualification move initiated by the Speaker against rebel MLAs. Sibal recalled what had happened in Maharashtra. Despite President's rule in the state, the Governor had administered oath to a BJP chief ministers at 4 o'clock in the morning. This is the new definition of democracy, he said.

## State EC had hitched its wagon to BJP's...

"The Election Commission has access to voter databases and demographics. This database is crucial in targeting specific voter groups. It is clear that this data was available to the BJP through the social media agency run by the BJP," said Chavan.

The veteran Congress leader has raised other questions, including the process involved in selecting the social media agency by the CEO Maharashtra and how this particular company was selected. "Was there a transparent advertisement process and was there a background check of the selected agency by the CEO Maharashtra? Was there political pressure - direct or indirect - put on the CEO by the state government to use this particular agency?" Chavan asked.

Further, Chavan said, in the advertisement campaign run by CEO Maharashtra on Facebook, the address of the advertiser was a private address - "202 Pressman House, Vile Parle, Mumbai" and not the official address of the CEO Maharashtra.

"On enquiry, it was discovered that this address belonged to an advertising company called Signpost India, a social media and outdoor advertisement company appointed by the erstwhile BJP government in the state. On further enquiries, it was found that the same address was also used by a digital agency called Social Central," said Chavan. He noted that all these agencies belong to and work for the BJP in the state.

"It is further learnt that the Social Central agency is owned by one Devang Dave, an office-bearer of BJP; he was also the national convener of the IT and social media cell of the youth wing of the BJP - the BJYM," said Chavan. This was clear evidence which establishes that the CEO Maharashtra's social media campaign was being run by a BJP sponsored company, Chavan argued.

## Maha govt orders probe

He added that there was no such board.

The minister's announcement came after an RTI activist and journalist, in a series of tweets, alleged that the Election Commission of India literally hired the BJP IT cell to handling its social media in Maharashtra in the run-up to the 2019 state assembly elections.

However, in a series of tweets, Dave, an entrepreneur and the national convener for IT-Social Media at the BJYM, the youth wing of the BJP, denied any wrongdoing. "We do not earn our bread and butter by doing any kind of 'dala' but by hard work. The work assigned by the Election Commission to Signpost was after following due process. There is no illegality whatsoever. It is also forbidden for political activists to make an honest living," he said.

Dave, who is also the founder of websites and pages like 'The Fearless Indian' and 'I Support Narendra Modi', further said the Election Commission of India and industry have appreciated the work done. "Am I not allowed professional engagements just because I support an ideology certain people don't agree with? Or is targeting people based on their ideological leanings the new thing to vent frustration?" he asked.

Associated with establishing and creating political strategies for the BJP, Dave went on to say, "I come from a very lower middle class background and whatever position I am in today is because of my hard work and merit, without any sort of political or financial backing, whatsoever. My advice to such people - don't waste your time."

Meanwhile, the state government has taken serious note of tweets by journalist Saket Gokhale who said, "Threat calls received. RSS workers are outside my house chanting Jai Shri Ram. They just threatened my mother." Home Minister Anil Deshmukh responded to Gokhale's tweet and said, "We are taking very serious cognisance of this and have immediately ordered an enquiry into this issue. We will immediately provide you protection. Thane Police have been instructed accordingly."

## Bandra serves summons on Kangana at...

possibly pushing him to depression.

Based on the media statement given by the actress, the police sent summons by post to her Manali residence in Himachal Pradesh, where she has been staying with her family during the pandemic-induced lockdown. "We have asked the actress to be present at Bandra police station to give her statement in connection with the probe into Rajput's suicide," said Abhishek Trimukhe, Deputy Commissioner of Police (Zone 9). Commenting on whether a police team will be sent to Manali in accordance with the actress' request, DCP Trimukhe said the police had not considered the request yet.

A senior police officer, on condition of anonymity, said that the decision to summon Ranaut was deemed necessary after she claimed in several media statements that she had proof that Rajput was pushed to depression, leading to suicide on June 14. While police had earlier tried to summon Ranaut to record her statement, there was no response, the officer said.

Meanwhile, sources said a forensic analysis report of the actor's viscera had been submitted to the police by the regional forensic science laboratory at Kalina in Mumbai. "The report has said there was no presence of drugs, alcohol or poison in his body," said a source. The police, however, did not confirm that they had received the report.

The source, however, said that traces of alcohol would not show up in the analysis if it was consumed over six hours ago. "Alcohol metabolises in the body and is converted to another compound," he explained. The Mumbai police had also sent the cloth used by the actor for hanging himself for forensic analysis to determine its tensile strength. This test will help ascertain if the cloth could take the actor's weight.

## No role in Babri plot, says Advani

Union Home Minister Amit Shah had dropped in at Advani's residence two days ago to discuss the video-conferencing facilities he required for depositing before the Lucknow court. Three lawyers, Vimal Kumar Srivastava, K K Mishra and Abhishek Ranjan, were in the court to assist Advani who was subjected to pointed questions by advocates Lalit Singh, P Chakravarti and R K Yadav, who appeared for the prosecution (CBI).

## Bedi praises Cong govt in address to assembly

MINISTER, 3 MLAS BOYCOTT

**PUDUCHERRY:** Puducherry Health Minister Malladi Krishna Rao and three ruling Congress MLAs staged a walkout during the address by Lt Governor Kiran Bedi to the territorial assembly on Friday, protesting her alleged reprimanding of Health staff over COVID-19 management.

As soon as she rose to read out her address, Rao and the MLAs announced their boycott and walked out of the House registering the protest against Bedi for pulling up senior doctors and health staff over the pandemic in the union territory recently,

a charge rejected by the Raj Nivas. In her customary address, Bedi said, "The government led by CM V Narayanasamy continued to be focussed on the socio-economic development of the people of the UT with specific stress on protecting vulnerable sections of society. It was a matter of great pride Puducherry had secured the first position in four governance indicators (HRD public health, justice and law and order), she said, while also giving a clean chit to the government on handling of the COVID-19 pandemic."

## 2009 contempt against Bhushan: SC hearing on Aug 4

OUR BUREAU / New Delhi

The contempt proceedings were initiated by the SC against activist lawyer Prashant Bhushan (63) in 2009 on the heels of another contempt mounted early this week on his tweets supposedly undermining the court's dignity and authority. Even senior counsel Harish Salve was made amicus curiae (friend of court) to assist the court.

But the pace of the case is slowing. It came up for hearing last time on May 2, 2012. The SC on Friday decided to begin the hearing in the case that had gone into limbo, fixing the hearing from August 4. When a 3-judge Bench headed by Justice Arun Mishra decided to go ahead with the hearing in the case in which Prashant Bhushan had questioned in an interview to Tehelka magazine the presence of then Justice SH Kapadia on a forest bench that decided the case of Niyamgiri mining lease in Odisha in favour of Sterlite, a Vedanta subsidiary.

He had alleged misconduct on the part of Kapadia since he had shares in Sterlite and so he should not have heard the matter. Justice Kapadia, who later went on to become the Chief Justice of India, passed away on January 4, 2016. The contempt proceedings are also against then Tehelka editor Tarun Tejpal.

## SC junks plea for FIR copy in 24 hrs

Though the SC had itself made it mandatory for police across India to provide a copy of the FIR to the accused within 24 hours of the request, one of its benches headed by Ashok Bhushan has refused to entertain a PIL against non-implementation of its order. The Bench, comprising Justices Subhash Reddy and MR Shah threw out the PIL by Kolkata-based social activist Avishek Goenka directing all states and UTs, particularly during the Covid-19 pandemic, that are already a score of directives from the apex court on the issue.

**Goa disqualification on Aug 10**  
The SC adjourned the Goa disqualification case for two weeks on account of default of petitioner Goa Congress President Girish Chodankar, who got the hearing advanced from August 7 showing urgency, but did not complete the service to all respondents. At the outset, CJ Sharad Arvind Bobde said the service was not complete and so the case can not proceed. He said the petitioner can even execute service through email. Justice AS Bopanna and Justice V Ramasubramanian were two other judges on the Bench.

## Kanpur lab technician killed within 1 wk of kidnap: Cops

**KANPUR/LUCKNOW:** A lab technician who was kidnapped a month back in Kanpur was killed within a week of being held captive, police said on Friday, while 11 policemen, including two senior officers, were suspended for laxity.

The man's family claimed Rs30 lakh ransom was paid for his release in the presence of police, but Circle Officer Vikas Pandey said the allegation was not true. 5 people, including a woman and 2 friends of S Yadav, were arrested in the case, police said.

Meanwhile, the government directed Additional DG (PHQ) BP Jogdand to probe whether any ransom was paid by the family of the 27-year-old lab technician or not. According to an official spokesman in Lucknow, the government has suspended SP (South) Aprana Gupta and then circle officer Manoj Gupta in public interest.

The SSP suspended former SHO (Barra) Ranjit Rai, chowki incharge Rajesh Kumar and seven others - a sub-inspector and six constables - for laxity in the investigation, the spokesman said. Senior SP (Kanpur) Dinesh

Kumar Prabhu said a police probe confirmed that Yadav was murdered by his abductors. Several suspects were detained and grilled intensively, and two of them confessed to the crime.

The accused initially tried to mislead the police, but later they disclosed that they kidnapped S Yadav, and killed him either on June 26 or June 27. They further confessed they disposed of Yadav's body in Pandu river, the SSP said, adding the accused had worked together with Yadav in another pathology lab.

5 people including a woman and 2 friends of the deceased were arrested. Several police teams, including crime branch and surveillance, were directed to find the victim's body and arrest all those involved in the crime, the SSP said.

## Another Vikas Dubey aide held

**KANPUR:** The UP Special Task Force (STF) has arrested Shivam Dubey, another aide of slain gangster Vikas Dubey who killed 8 cops in an ambush on July 3 in Bikru village. ASP STF, Vishal Vikram Singh said 24-year-old Shivam Dubey was present on the day of the ambush as per electronic evidences and also the statements given by other members of the gang who have been arrested earlier.

Meanwhile, the UP Police said Dubey's close aide Prabhath Mishra alias Kartikey, who was killed as he attempted to flee police custody while being taken to Kanpur from Faridabad, was not a minor, as claimed by his family.

**SHO suspended in Ghaziabad scribble killing:** The Ghaziabad Police has suspended the police station in-charge of Vijay Nagar area where journalist Vikram Joshi was shot at four days ago by assailants, a senior officer said on Friday. The probe in the case has been transferred from the Vijay Nagar police station to the Kotwali police station, Ghaziabad Senior SP Kalanidhi Naithani said.

## BMC yet to clear hotel bills for...

NSCI Dome, BKC grounds, Goregaon NSE, schools, residential buildings, halls or open plots and so on; rather, it was meant for sites where the BMC was not using any facilities except the premises and would itself be providing electricity, water, lighting, bedding, fans, toilets, etc.

Later on, in view of objections of hotel associations to the SDRR mode of calculation, the BMC had set up a committee to look into the issue and it was decided to pay hotels based on their star rating. On June 10, a fresh circular was issued with increased tariff rates, which came into effect eight days after. The revised rates per day are: Rs 3,500 for five-star hotels, Rs 2,500 for four-star hotels and Rs 1,500 for others. Previously, the rates per day were: Rs 2,000 for five-star hotels, Rs 1,500 for four-star hotels and Rs 500 for others.

Kohli informed, "The rates they are paying are not high because normally, a five-star hotel charges Rs 18,000 per night for a stay. We are not telling them to pay higher rates but the revised rates should be pro-rated to Day 1, when the hotels were taken over in April."

Paranjit Singh Ghai, the managing partner of Hotel Samrat in Khar, is the only hotelier in Mumbai to have received compensation from the BMC. He told The Free Press Journal, "I could get my money only because I followed up with different departments and had to reach out to a minister, which should not be the case. Moreover, for having lodged essential staffers for the past three months, I am being paid only Rs 3 lakh. The calculation has been made on the basis of the Stamp Duty ready reckoner rate, which refers to the value of land. It is not acceptable why the BMC is calculating bills thus. One should understand, we are not selling our properties but have provided service to essential service providers at this critical time, including food, stay, laundry etc."

Further, he explained that the payment made by the BMC barely works out to Rs127 per room, per day. "I received Rs 2,77,772, excluding GST. If I calculate it by 2187 (27 rooms for 81 days), it works out to Rs 127. This payment is a mockery of even a token compensation and does not even cover our utility bills and running expenses," he explained.

Kohli explained, "The BMC is fooling us and they are ready to pay us as per the revised rates starting from June 18, which is wrong. Hotels have been taken over by the BMC from April, so the bills should be paid as per the revised rates from Day 1."

Further, he stated, there is an issue only with the BMC, other cities or states had maintained transparency while taking over hotels for essential service workers. For instance, said Kohli, Delhi was paying Rs 3,200 for starred hotels and Rs 2,500 for others. So, the HRAWI had recommended that the BMC follow the Delhi model. In India there are about 55,000 hotels and 5 lakh restaurants. The association has estimated losses of Rs1.50 lakh crore. If timely aid is not provided, several hotels and restaurants will be compelled to shut down, it is feared.

## NO FLIGHT OPS AT KOLKATA AIRPORT ON JULY 25, 29

**KOLKATA:** Flight operations at the Kolkata airport will remain suspended on July 25 and 29, amid the total lockdown in place across the state on both the days, officials said on Friday. "As of now, it has been decided there will be no flight operations on July 25 and 29," an official at the Netaji Subhas

Chandra Bose International Airport said. The West Bengal govt has decided to impose a biweekly complete lockdown to break the chain of Covid-19 transmission. If the rule would be extended to all the total shutdown days, he said it was a possibility, but an announcement will be made by the state govt.
